

Professional Dealer & Management Program

The Professional Dealer & Management Program consists of three major casino games, Baccarat, Blackjack and Roulette. This course is designed for new students intending to seek a dealer position with casinos. Our instructors will take students step-by-step through the mechanics of dealing in each of the games and also share with them their many years of dealing experience - an incredible value-add for students. It also provides students with further opportunities for promotion to a supervisory or management position by offering a straight-through route to further studies in a diploma program in gaming and hospitality management.
